GENERAL & REVENUE SECRETARIAT

CONFIDENTIAL BRANCH.

My dear Srinivasan,

May I enlist your help in a case which has been put to us by our office in New Delhi?

As you know, the High Commission makes payment to the wives and dependents of British soldiers who are resident in India, on behalf of the War Office, who inform us of the amounts concerned.

We have been making payments of guardianship allowance to a Mrs. G.A. Davey in respect of the children of her husband S.S.M. Davey, R.A.S.C., but some difficulty arose as S.S.M. Davey was also at one time desirous of giving the guardianship of his children to his mother, Mrs. Saxon. Mrs. Davey is now known as Mrs. Macfarlaine, and her address is P.O. Road, Andersonpet, Kolar Gold Field, Mysore. Mrs. Saxon also lives in Andersonpet. Mrs. Saxon instituted a suit in Kolar Gold Field for the guardianship of the children, and the High Commission were restrained by the Munsiff at Robertsonpet from paying the money to anybody during the pendency of the court case, and were directed to pay the money into court for the Munsiff to defray expenses in connection with the children's upkeep and schooling. This the High Commission have done since directed to do so on the 1st December, 1949.

In July, 1950, Mrs. Davey (Mrs. Macfarlaine) complained to the High Commission that the money paid into the Munsiff Court was not being properly disbursed to her for the maintenance of the children and she said at the same time that the court case had been dismissed and therefore the money should be paid to her. In view of her statement the High Commission approached the Munsiff asking him for a copy of the judgement in this case, but he has put legal objections to this and advised that a certified copy may be obtained by making an application through an authorised agent or counsel.

The position at the moment therefore is that our office in New Delhi do not know what amounts have been paid to Mrs. Davey, and are not aware of the judgement that has been given.

The High Commission are anxious to obtain the full facts of the case with a view to reporting the position to the War Office in London, and I should be grateful if you could very kindly help us by making enquiries of the local authorities. We should also like to ensure if possible that the contributions are being paid by the Munsiff for the upkeep of the children.

I apologise for troubling you with this case but it seemed that the best thing was to write to you and ask for your assistance. I would be very grateful if the matter could be treated as urgent.

Yours sincerely,

J.W.D. Locker.
